MOTION TO FILE AMENDED COMPLAINT

We respectfully request leave to file the attached amended complaint.

The amendments primarily change paragraph 36. Exhibits 15 and 16, which were previously cited in paragraph 36 only for comparison to the options for requested relief (Exhibits 11-14) discussed in paragraph 35, are now requested as supplemental relief—in addition to the primary relief requested in paragraph 35. Conforming edits are made to earlier paragraphs discussing relief, such as in the Overview.

Other edits clarify or expand on existing text and resolve typographical errors.

A clean version and a version showing all tracked changes from the original are attached.

We have consulted the Counsel to the General Assembly, who is handling this case for the Attorney General, and who has advised us that he has no objection to this filing.

Respectfully submitted,
